

How to Register for 2026 Training Days Classes in Webex Events

From this Website Click the Link To Register for 2026 Training Days Classes

1 To register for Training Days 2026, select the **Register Here** button on the right-hand side of the page or scroll down until you see the **“Register” section**, then click the **“Select”** button associated with **Training Days Access Pass**.

2 When you do, the right-hand side bar button will change to **Register Here 1**. Click this button.

3 Complete the registration form, check the Terms of Service box, and select **Confirm** to submit your registration.

4 This will display a page confirming your registration. **You will also receive an email with a link to Webex Events you can use after you register to enter the site and register for classes.** This email could appear in your JUNK folder since it is coming from an outside source.

5 Click **Explore the event now** to begin viewing and adding sessions. Click Agenda from the Navigation Bar to see classes.
